TESTIMONIALS

"Our participation in the Heritage Gallery Auctions on Friday and Saturday were very enjoyable, and we were impressed with every aspect of the auction operation."

Ed & Nancy Bathke

"My first auction experience and it was all I expected and then some. ... BRAVO."

Marion Clum

"As a consignor to your recent silver, art glass and fine art auction, I want you to know how pleased I am with my decision to consign with Heritage Galleries and Auctioneers. It was certainly a leap of faith for me to send my treasured Tiffany silver tea set off in the mail to you. However, I found that my faith was well placed when my set realized far more than the price that I was offered by a local dealer. At every stage of the consignment process, I was reassured by your product knowledge and professionalism. I appreciate all that you did to ensure that my consignment realized the highest possible price, and look forward to working with you again in the future."

Carolyn Boyer

"Thank you for all that you did to make the auction sale of my silver and art glass consignment a tremendous success. While I appreciated your professionalism and the quality of your catalog production, I was most pleased with the prices that my consigned items realized in your auction. These prices greatly exceeded my expectations. I was extremely pleased with prices realized, to say the very least."

Harry Warren

"I [received] the auction catalogue today.... It is the nicest collection I have ever seen for sale in any one auction and you folks did an incredible job."

John Krantz
